KEEPING THE GO IN CHICAGO

GS20

87th Street & CSX Grade Separation

Location

87th Street at Rockwell Street (west of the
87th Street/Western Avenue intersection)

Chicago, IL

Daily Trains Affected

41 freight trains

Scope of Work

The project will consider eliminating the at-grade crossing of 87th Street by two CSX tracks. This will be accomplished by creating either an overpass or underpass for vehicles using 87th Street at this location.

Benefits

Daily, 27,200 vehicles and 190 CTA buses (#87) pass through the crossing. Over 3,000 vehicles are delayed at this location daily, yielding nearly 41,000 annual motorist hours of delay that would be alleviated by this project. This project will reduce roadway congestion and improve safety at this location.

Communities Benefited:

- Chicago – Ashburn Community Area

Project Status

Phase I – NEPA – Preliminary Design (30% Design)	Phase II – Final PS&E*	Phase III - Construction
Pending Funding Availability
