KEEPING THE GO IN CHICAGO

GS23a

Cottage Grove & IHB/CSX Grade Separation

Location

Cottage Grove between 138th Street and
Main Street
Dolton, IL

Daily Trains Affected

128 freight trains

Scope of Work

The project will consider eliminating the at-grade crossing of Cottage Grove and the four Indiana Harbor Belt (IHB) and CSX tracks. This will be accomplished by creating either an overpass or underpass for vehicles at this location.

Benefits

Daily, 5,100 vehicles pass through the crossing. This project will reduce roadway congestion and improve safety at this location. The grade crossing separation will eliminate delay to approximately 1,300 vehicles daily, resulting in alleviation of over 26,000 annual motorist hours of delay. It will also eliminate the potential for collisions between vehicles and trains.

Communities Benefited:

- Dolton, IL

Project Status

Phase I – NEPA – Preliminary Design (30% Design)	Phase II – Final Plans Specifications and Estimates	Phase III - Construction
Pending Funding Availability
