# Grand Avenue & IHB & CN Grade Separation

## Location

Grand Ave. at the Indiana Harbor Belt (IHB) and CN  
Franklin Park, IL

## Daily Trains Affected

15 Freight trains (CN, IHB, CP)

## *Scope of Work*

The project eliminated the at-grade rail-highway crossing by moving Grand Avenue under the IHB and CN tracks.

## *Benefits*

This \$45 million dollar project has expedited motorist traffic in the Franklin Park area. The Grand Avenue grade separation eliminated over 5,000 vehicles a day from being delayed at two Grand Avenue crossings.

### Communities Benefited:

- Franklin Park, IL

## *Project Status*

Project Completed September 2007

New grade separation

8/2015
