Location

Grand Ave. at the Indiana Harbor Belt (IHB) and CN
Franklin Park, IL

Daily Trains Affected

15 Freight trains (CN, IHB, CP)

Scope of Work

The project eliminated the at-grade rail-highway crossing by moving Grand Avenue under the IHB and CN tracks.

Benefits

This $45 million dollar project has expedited motorist traffic in the Franklin Park area. The Grand Avenue grade separation eliminated over 5,000 vehicles a day from being delayed at two Grand Avenue crossings.

Communities Benefited:

- Franklin Park, IL

Project Status

Project Completed September 2007

New grade separation

8/2015
