

**Public Information Notice # 6**  
**CREATE Program FP&PS Clarification**  
**CREATE Project WA7**  
**Date: July 18, 2012**

The Federal Highway Administration, Illinois Department of Transportation, Chicago Department of Transportation and Association of American Railroads have agreed to a clarification of the CREATE Project WA7. In particular, to further define the description of the proposed work/improvements by providing additional detail of the work involved in the WA7 project.

Revised Component Project Preliminary Screening Worksheets for CREATE project WA7 can be accessed by clicking [here](#). These supersede the corresponding sheets in the CREATE Final Feasibility Plan (Modified) January 2011.
