Invitation to submit qualifications (RFQ) for the CREATE WA1 BRIDGE ENGINEERING Project at Chicago, IL (Cook County) Union Pacific Railroad Co (Rockwell Subdivision, Mile Post 0.6 to 2.27)

Generally, the project consists of the following:

Engineering services that include bridge design, preparation of plans and accompanying specifications for eighteen (18) bridges, detailed bridge inspections and reports, performance of topographic surveying, and agency permitting and coordination.

Additionally, this project will be funded in part by federal and/or state funds. Therefore, bidder will be required to comply with certain State and Federal policies, such as Equal Employment Opportunity, Veterans Preference, Disadvantaged Business Enterprise participation and Illinois Department of Labor prevailing wage rates.

It has been determined that said engineering services shall require a 20% Disadvantaged Business Enterprise (DBE) participation.

Interested engineering consultants must file a notice of intent to submit an RFQ to:

Paul Ernatt

Union Pacific Railroad

1400 Douglas Street, Stop 780

Omaha, NE 68179

E-mail: PMERNATT@UP.COM

no later than 5:00 P.M. Central Standard Time (CST), February 1, 2016

Consultants that submit a notice of intent will be added to Union Pacific's Contracts Administration System (CAS) and given full project information.

Consultants enrolled in CAS will receive an e-mail notice once the RFQ documents (including technical specifications) are available online.

All RFQ's MUST be submitted electronically via CAS.

No official site inspection is scheduled.

Proposal closing for this project will be February 29, 2016 at 2:00 pm (CST).
